1 INTRODUCTION

1.1 This document is a Scottish Secure Tenancy Agreement between us, Linstone Housing Association Ltd, 32 Burnbrae Avenue, Linwood, PA3 3DD, which is registered with Communities Scotland and is therefore subject to Communities Scotland registration criteria, and you:

_____ (tenant/joint tenant) and

_____ (joint tenant)

1.2 We agree to rent accommodation to you on the terms and conditions in this Agreement. The accommodation includes the fixtures and fittings contained within it, the use of the common parts and the means of access to it. It also includes any other facilities that we may specify in writing to you. It is referred to as the 'house' in this Agreement. The term 'common parts' is explained at paragraph 1.11. If you ask us, we may be able to give you a more detailed description of the house and a plan detailing your rights relating to the common parts, and access to your house.

1.3 The full address of the house is:

The house consists of

_____ (number of apartments i.e. rooms excluding kitchen, hall, bathroom/shower room, additional toilet)

_____ (position within block)

1.4 The tenancy will start on _____ (the entry date). This is regardless of the date on which this Agreement is signed. This Agreement will continue from the entry date until _____ and after that on a monthly basis (ie. 29th of the month until 28th of the following month). There are different ways of ending the tenancy and these are described in Part 6 of this Agreement.

1.5 The rent is £ _____ every month payable in advance by you on or before the 29th day of each month.

1.6 We may provide services in connection with your tenancy. If we do, they are detailed below together with the cost of each of those services and an indication of whether the services are optional or compulsory. It is a condition of this agreement that you pay for those compulsory services.

<i>Description of Service</i>	<i>Voluntary/Compulsory</i>	<i>Monthly Cost Period</i>
		TOTAL _____

TOTAL_____

As a condition of your tenancy certain housing support services which 1) the Association provides OR 2) are provided on the Association's behalf are payable by you to the Association until 31st March 2003. From 1st April 2003 the services will continue to be provided but will not be payable by you as part of your service charge to the Association. Instead the local council's Supporting People department will be responsible for collecting from you any charges for the services you receive from 1st April 2003.

1.7 We will consult you about any proposed increase in rent or service charge and have regard to your opinions before we make our decision. We are entitled to change the amount of rent and any service charge, as long as we tell you in writing at least four weeks before the beginning of the rental period when the change is to start. We will not normally change the rent or service charge more than once every twelve months. You have the right to a statement of our rent and service charge policy. See clause 8.3 for more details.

If, prior to signing this agreement, you had the right to have your rent determined by the Rent Assessment Committee then this may be retained.

1.8 You are quite separately liable for payment of Council Tax and/or any other burden imposed by the Local Authority or Water Authorities. In the event that you fail to meet these obligations and we are held liable, we shall recover the sum charged from you.

1.9 If you break any part of this Agreement, we may:

- take legal action against you (including eviction proceedings) AND*
- charge you for any resulting losses we have suffered including any legal expenses as assessed by the court.*

1.10 You can telephone us or write to us if you would like to know more about anything contained in this Agreement. We will do our best to help you. You can also get independent advice and information from a number of organisations such as Law Centres, Solicitors, Housing Advice Centres, Citizens Advice Bureaux, Tenants Associations, the Commission for Racial Equality and the Equal Opportunities Commission.

1.11 *If you want another copy of this Agreement, we will provide one on request. If you want a copy of it in another language or another form (such as Braille or audio tape), please tell us and we will provide you with one as soon as we can. However, in the event of any dispute, it is this version of the Agreement which is binding on you and us.*

1.12 INTERPRETATION

Where legislation has been amended since this Agreement was entered into, this Agreement shall be read consistently with the amended legislation.*

1.14 *You are responsible for ensuring that no-one living with you does anything that would be a breach of this Agreement if they were the tenant. If they do, we will treat you as being responsible for any such action.*

1.15 CHANGING THIS TENANCY AGREEMENT

No part of this Agreement may be changed except in the following circumstances:

- *we and you agree in writing to change it; OR*
- *we increase the rent or service charge in the way described in paragraph 1.7 above; OR*
- *we or you apply to the sheriff under Section 26 of the Housing (Scotland) Act 2001 for an order to change the tenancy agreement and the sheriff grants such an order.*

1.16 JOINT AND SEVERAL LIABILITY

If two or more people have signed this Agreement, they are joint and severally liable for the terms and conditions of this Agreement. This means that each one of them is fully responsible for making sure that all the conditions in this Agreement are kept to, including payment of rent. You can apply for a joint tenant to be added to the tenancy: see paragraph 4.1 below.

2 USE OF THE PROPERTY AND THE COMMON PARTS

2.1 *You must take entry to the house, occupy and furnish it and use it solely as your only or principal home. Failure to occupy the house as your only or principal home will constitute a breach by you of an obligation under the terms of this Agreement which will allow us to (a) raise Proceedings for Recovery of Possession in the Sheriff Court to terminate this tenancy in accordance with Section 6.3 of this Agreement, or (b) follow the procedure to recover abandoned property under Section 6.4 of this Agreement. You are entitled to have members of your family occupying the house with you, as long as this does not lead to overcrowding. If we ask, you must tell us who is living in the house. You should tell us as soon as there is a change in those who are living in your house.*

2.2 *You, those living with you, and your visitors must take reasonable care to prevent damage to:*

- *the house;*
- *decoration;*
- *our furniture;*
- *the fixtures and fittings;*
- *the common parts;*
- *your neighbours' property.*

For example:

- *before you leave the house, you must check reasonably thoroughly that there is no risk of damage from fire, water or gas supplies in your house;*
- *you must tell us if you intend to go away, for more than four weeks and your house will be unoccupied during that time;*
- *if your house is going to be unoccupied for any length of time, and there is a risk of water pipes freezing when you are away, you must tell us before you leave and ensure that the internal water supply is turned off and pipes, tanks, etc are drained.*

2.3 *You and anyone living with you must not run any kind of business from the property. However, if you ask us, we may give permission. See Part 10.3 of this Agreement for more information about doing this. If we give permission, we may also increase your rent.*

2.4 *You must not allow your house to become overcrowded. If the overcrowding is as a result of an increase in the size of your family living with you, you should*

apply to us and any other suitable Landlord for a house transfer. In this circumstance only, we will not treat you as being in breach of this condition. However, if we offer you suitable alternative accommodation you must agree to take it unless there are good reasons for not taking it.

2.5 KEEPING OF PETS

- You are not entitled to keep any domestic pet in the house or in the common parts without the prior consent in writing of the Association. In the event that consent is given the pet is kept under supervision and control. Consent will not be withheld unreasonably.*
- You must comply with legislation as laid down in relation to specific breeds of dogs e.g. Dangerous Dogs Act 1991 or exotic pets such as snakes or spiders.*
- You are responsible for the behaviour of any pets within your household. You must ensure that any such pet does not cause nuisance, annoyance or danger to neighbours or deterioration in the condition of the House or common parts or the vicinity of the House. This includes fouling, noise or smell.*
- You will seek prior written consent from the Association to the keeping of pigeons. Consent will not be unreasonably withheld where full details of loft location and proposals for care are supplied and such proposals are reasonable and unlikely to cause disturbance to others.*
- We may require removal of the pet if it causes nuisance or damage.*
- Further detailed guidance on the conditions relating to pets are contained in our policy document covering this issue.*

2.6 *You must not use or allow the house to be used for illegal purposes. This includes, but is not limited to, the following: dealing in controlled drugs; running a brothel; dealing in stolen goods; illegal betting and illegal gambling.*

2.7 *While you are in occupation of the house, you must make reasonable efforts to heat the house, taking into account your income. You must make reasonable efforts to ventilate the house using any suitable means provided in the house for doing so.*

2.8 *You must take your turn, with all other tenants and owner occupiers sharing the common parts, in keeping them clean and tidy. If you share a common stair, you must also take your turn in regularly cleaning, washing and keeping tidy the common stair, its windows, banisters and any bin chute accesses.*

This will generally be required on a weekly basis. If you and the others cannot agree on the arrangements for doing this or you fail to do the work, we are entitled to decide exactly what you should do and when. Before making our

decision, we will consult with you and the others. Our decision will be binding on you.

If you do not do the work contained in this paragraph we are entitled to carry out the works and charge you for the cost of the works. This is in addition to any other legal remedies open to us. We will write to you setting out in detail the works which you must carry out in order to comply with your duty (“the required works”). If the required works are not carried out by you within 14 days of the date of our letter we will instruct a contractor to carry out the required works. Once the required works have been carried out we will write to you with details of the costs which must be paid in full by you within 14 days of the date of intimation of the costs by us.

Once the required works have been carried out you must then continue to maintain the common parts in terms of this clause failing which we can repeat the procedure set out above in order to ensure the common parts is adequately maintained in terms of your duty.

2.9 *You must comply with any local arrangements for the use and sharing of the common parts including drying greens and drying areas. You must comply with any local rotas for the use and sharing of the common parts. In cases of dispute between the users of the common parts, we are entitled to decide the arrangements and rotas for the use of, and the sharing of, the common parts. Before making our decision, we will consult with you. Our decision will be binding on you.*

2.10 *If you have exclusive use of a garden attached to the house, you must take reasonable care to keep it from becoming overgrown, untidy or causing a nuisance (unless we have agreed to take care of it). If you fail to do this, we are entitled to decide exactly what work requires to be done so as to comply with this duty. Before making our decision, we will consult with you. Our decision will be binding on you. If you do not do the work contained in this paragraph we are entitled to carry out the works and charge you for the cost of the works. This is in addition to any other legal remedies open to us. We will write to you setting out in detail the works which you must carry out in order to comply with your duty (“the required works”). If the required works are not carried out by you within 14 days of the date of our letter we will instruct a gardener/contractor to carry out the required works. Once the required works have been carried out we will write to you with details of the costs which must be paid in full by you within 14 days of the date of intimation of the costs by us.*

Once the required works have been carried out you must then continue to maintain the garden in terms of this clause failing which we can repeat the procedure set out above in order to ensure the garden is adequately maintained in terms of your duty. You must not remove, chop down or destroy any bushes, hedges or trees without our written permission unless you planted them.

2.11 If you share a garden, backcourt area and/or communal bin store with others, you must take your turn with them to keep it from becoming overgrown, untidy or causing a nuisance (unless we have agreed to take care of it). If you and the others cannot agree on the arrangements for doing this or you fail to do the work, we are entitled to decide exactly what you should do and when. Before making our decision, we will consult with you and the others. Our decision will be binding on you. If you do not do the work contained in this paragraph we are entitled to carry out the works and charge you for the cost of the works. This is in addition to any other legal remedies open to us. We will write to you setting out in detail the works which you must carry out in order to comply with your duty (“the required works”). If the required works are not carried out by you within 14 days of the date of our letter we will instruct a gardener/contractor to carry out the required works. Once the required works have been carried out we will write to you with details of the costs which must be paid in full by you within 14 days of the date of intimation of the costs by us.

Once the required works have been carried out you must then continue to maintain the garden in terms of this clause failing which we can repeat the procedure set out above in order to ensure the garden is adequately maintained in terms of your duty. You must not remove, destroy or chop down any bushes, hedges or trees without our written permission unless you planted them.

2.12 No property belonging to you or anyone residing with you, including bicycles, motorcycles or prams, should be stored in any of the common parts except in areas set aside for storage. You must not do anything which causes inconvenience or danger to anyone using the common parts.

2.13 You must put all your household rubbish for collection in the bin store or other proper place allocated for it. You must take reasonable care to see that your rubbish is properly bagged. If rubbish is normally collected from the street, it should be put out no earlier than the evening before the day of collection. Rubbish containers should be returned to their normal storage places as soon as possible after the rubbish has been collected.

You must comply with the local arrangements for the disposal of large items (such as large electrical items).

If you do not meet the obligations contained in this paragraph we are entitled to carry out any necessary works and charge you for the cost of the works. This is in addition to any other legal remedies open to us. We will write to you setting out in detail the works which you must carry out in order to comply with your duty (“the required works”). If the required works are not carried out by you within 14 days of the date of our letter we will instruct a contractor to carry out the required works. Once the required works have been carried out we will write to you with details of the costs which must be paid in fully by you within 14 days of the date of intimation of the costs by us.

Once the required works have been carried out you must then continue to meet the obligations of this clause failing which we can repeat the procedure set out above.

2.14 The use of paraffin or bottled gas heaters is generally discouraged but is expressly prohibited in any buildings which exceed four storeys in height.

The limit for the amount of fuel which may be stored for use in such appliances is:-

a) one spare 13kg (approx 30lbs) container of bottled gas inside the house.

b) 5 litres (approx 1 gallon) of paraffin inside the house.

2.15 Other than in 2.14 above you shall not store explosive, highly flammable, noxious or dangerous materials in the House, any outhouse, or part of the common parts.

2.16 No vehicle belonging to you or anyone living with you or anyone visiting you may be parked on our land unless:

- that land is set aside for parking; OR*
- we have given you written permission; OR*
- it is a public road;*

AND, in every case,

- it does not cause a nuisance or annoyance to your neighbours.*

Commercial vehicles, heavy goods vehicles, trailers, caravans or other such leisure vehicles or boats must not be kept on runways, parking areas or garden ground without our written consent.

2.17 Nothing belonging to you, or anyone living with you, or your visitors, may be left or stored on our land unless:

- the land is set aside for that purpose; OR*
- we have given you written permission;*

AND, in every case,

- it does not cause a nuisance or annoyance to your neighbours.*

2.18 If you want to change any part of this agreement which restricts your use or enjoyment of the house, you must first ask us in writing. If we refuse, you have a right to make an application to the sheriff. See paragraph 10.3 for more details.

3 RESPECT FOR OTHERS

3.1 *You, those living with you, and your visitors, must not harass or act in an anti-social manner to, or pursue a course of anti-social conduct against, any person in the neighbourhood. Such people include residents, visitors, our employees, agents and contractors and those in your house.*

3.2 *'Anti-social' means causing or likely to cause alarm, distress, nuisance or annoyance to any person or causing damage to anyone's property. Harassment of a person includes causing the person alarm or distress. Conduct includes speech. A course of conduct must involve conduct on at least two occasions.*

3.3 *In particular, you, those living with you, and your visitors must not:*

- *make excessive noise. This includes, but is not limited to, the use of televisions, hi-fi's, radios and musical instruments and DIY tools;*
- *fail to control your pets properly or allow them to foul or cause damage to other people's property;*
- *allow visitors to your house to be noisy or disruptive;*
- *use your house, or allow it to be used, for illegal purposes;*
- *vandalise or damage our property or any part of the common parts or neighbourhood;*
- *leave rubbish in unauthorised places;*
- *allow your children to cause nuisance or annoyance to other people by failing to exercise reasonable control over them;*
- *harass or assault any person in the house, or neighbourhood, for whatever reason. This includes that person's race, colour or ethnic origin, nationality, gender, sexuality, disability, age, religion or other belief, or other status;*
- *use or carry offensive weapons.*

3.4 *In addition, you, those living with you, and your visitors must not do the following in an anti-social way:*

- *run a business from your house;*
- *park any vehicle, caravan or trailer;*
- *carry out work to any type of vehicle, caravan or trailer;*
- *sell alcohol or use/sell drugs.*

The particular prohibitions on behaviour listed in paragraphs 3.3 and 3.4 do not in any way restrict the general responsibilities contained in paragraph 3.1 above.

- 3.5 You, those living with you, and your visitors, must not bring into the house or store in the house any type of firearm or firearm ammunition unless you have a permit.*
- 3.6 You will be in breach of this Agreement if you, those living with you, or your visitors do anything which is prohibited in this part of the Agreement.*
- 3.7 If you have a complaint about nuisance, annoyance or harassment being caused by a neighbour (or anyone living with him/her or his/her visitors), you may report it to us. We will investigate your complaint in accordance with our policy on anti-social behaviour. If, after investigation, there are good grounds in our opinion for your complaint, we will take reasonable steps to try to prevent the behaviour happening again. These steps may include mediation or legal action. A copy of our written policy about dealing with these kinds of complaints is available from us.*
- 3.8 We will act fairly to you in all matters connected with your tenancy. We will not unfairly or unlawfully discriminate against you in any way on the grounds of your race, colour, ethnic origin, nationality, gender, sexuality, disability, age, religion or other belief or other status. If you believe we have acted unfairly to you in any way, you may wish to use our complaints procedure. You may also wish to take independent advice.*

4 SUB-LETTING, ASSIGNATION AND EXCHANGE OF YOUR TENANCY

4.1

If you want to:

- *take in a lodger; OR*
- *sub-let part or all of your house; OR*
- *assign the tenancy (pass on the tenancy to someone else); OR*
- *carry out a mutual exchange;*
- *change your tenancy to a joint tenancy;*

you must first get our written permission. To do this, you must:

- *tell us in writing the details of the proposed change including who you want to sub-let or assign to, take as a lodger or joint tenant or exchange with (and the house involved); AND*
- *tell us in writing the amount of rent and any other payments (including a deposit) you propose charging (if any) in the case of subletting or taking in a lodger AND*
- *tell us in writing when you want the sub-letting, lodging, assignation, exchange or change in tenancy to take place; AND*
- *in the case of sub-letting or taking in a lodger supply a copy of the written agreement detailing the rent and length of any proposed sub let. The terms of this agreement will require to be acceptable to us.*

If you want to assign your tenancy, the house must have been the only or principal home of the person to whom you want to assign the tenancy for at least 6 months before the date of your written request.

4.2 *We will not unreasonably refuse permission for an assignation, sub-letting, joint tenancy or taking a lodger. Reasonable grounds for refusing permission include the following:*

- *we have served a notice on you warning that we may seek eviction on certain grounds because of your conduct;*
- *we have obtained an order for your eviction;*
- *the rent or deposit that you propose charging (in the case of sub-letting or taking in a lodger) is unreasonable;*

- *the proposed change would lead to the criminal offence of overcrowding;*
- *we intend to carry out work on the house which would affect the part of the house connected with the proposed change.*

These examples do not in any way alter our general right to refuse permission on reasonable grounds.

If we give permission, you cannot increase the rent or other payments made to you by the other person unless we give our permission. See paragraph 10.3 for more details on getting permission.

4.3 *We will not unreasonably refuse permission for a mutual exchange of your house. The exchange must be with another house where the tenant is a tenant of a local authority landlord, a registered social landlord, a water authority, a sewerage authority or a private landlord. The landlord does not need to be us. The other landlord must also agree to the exchange. The Association will also consider requests to exchange with owner occupiers. Reasonable grounds for refusing permission include the following:*

- *we have served a notice on you warning that we may seek eviction on certain grounds because of your conduct;*
- *we have obtained an order for your eviction;*
- *your house was let to you because of your employment with us;*
- *your house was designed or adapted for persons with special needs and if the exchange was allowed, there would be no person living in the house who required those designs or adaptations;*
- *the other house is substantially larger than you and your family need or it is not suitable for the needs of you and your family;*
- *the proposed change would lead to the criminal offence of overcrowding.*

These examples do not in any way alter our general right to refuse permission on reasonable grounds. See paragraph 10.3 for more details on getting permission.

4.4 *If you are married, or if you live in the house with someone as husband and wife, we may need their consent. If you are a joint tenant, we will need the other tenant's written consent to the proposed change. If you want to change the joint tenancy to a single tenancy because the other joint tenant has abandoned the tenancy, you will have to ask us to use our powers under Section 6.8 of this Agreement*

5 REPAIRS, MAINTENANCE, IMPROVEMENTS AND ALTERATIONS

REPAIRS AND MAINTENANCE: OUR RESPONSIBILITIES AND RIGHTS

- 5.1 *In this Agreement, the word 'repair' includes any work necessary to put the house into a state which is wind and watertight, habitable and, in all respects, reasonably fit for human habitation.*
- 5.2 *Before the start of the tenancy, we will inspect your house to ensure that it is wind and watertight, habitable and, in all other respects, reasonably fit for human habitation. If repair or other work needs to be done to bring the house up to that standard, we will do so before the tenancy begins. We will notify you about any such work. Any other repairs may be carried out after the tenancy begins.*
- 5.3 *During the course of your tenancy, we will carry out repairs or other work necessary to put the house in a condition which is habitable, wind and watertight and, in all other respects, reasonably fit for human habitation. We will carry out all repairs within a reasonable period of becoming aware that the repairs need to be done. Once begun, the repairs will be finished as soon as reasonably possible. All repairs will be done to the standard of a reasonably competent contractor, using good quality material.*
- 5.4 *We will carry out a reasonably diligent inspection of the common parts before the tenancy begins. We will take reasonable steps to remove any danger we find before you move into your house. We will repair any other defect we find which will significantly affect your use of the common parts, or the house, within a reasonable period. We will repair any damage to boundary walls and fences within a reasonable period in line with the policy specified in our Tenants Handbook. During the course of the tenancy, we will carry out inspections, at reasonable intervals, of the common parts.*
- 5.5 *If we need the co-operation or permission of another person to carry out repairs or other work to the house or common parts, or to inspect, we will do our best to get it. We may be unable to do non-emergency repairs until we get such permission.*
- 5.6 *Our general repair obligations contained in paragraphs 5.2 and 5.3 include a duty to carry out repairs relating to water penetration, rising dampness and condensation dampness.*
- 5.7 *Our duty to repair includes a duty to take into account the extent to which the house falls short of the current building regulations by reason of disrepair or sanitary defects.*

5.8 We will:

- *keep in repair the structure and exterior of the house including:-*
 - *drains, gutters and external pipes (excluding clearance of blockages caused by you, a member of your household or someone for whom you are responsible)*
 - *the roof*
 - *outside walls, outside doors, windowsills, window catches, sash cords, and window frames (including external painting and decoration)*
 - *external and common closes, hallways, landings and stairs*
 - *internal walls, floors and ceilings, doors, door frames and internal staircases and landings (excluding painting and decoration)*
 - *fitted kitchen units (provided by us)*

 - *plasterwork*
 - *integral garages and stores*

 - *the supply of water, gas and electricity,*
 - *sanitation (for example basins, sinks, baths, showers, toilets),*
 - *hot water heating,*
 - *space heating (for example central heating) including fireplaces, flues and chimneys*
 - *detection of fire (except smoke detector batteries)*
- *Installations include those which we own or lease which directly or indirectly serve the house including door entry systems, extractor fans, laundry equipment (provided by us), white goods (provided by us). We*

will not, however, be responsible for repair of any fixtures and fittings not belonging to us which make use of gas, electricity or water. Neither will we be responsible for the repair or maintenance of anything installed by you or belonging to you which you would be entitled to remove from the house at the end of the tenancy unless we have specifically agreed.

- *We will inspect annually any gas installations in the house provided by us. We will provide you with a copy of the inspection report within 28 days of the inspection. If the inspection reveals the need for repair or replacement of any such installation, we will do so within a reasonable period. We will give you a copy of the current inspection record before the beginning of the tenancy.*
- *If your house is served by a communal television or communications aerial provided by us, we will take reasonable steps to repair any defect within a reasonable period whilst in the opinion of the Association it is economical to do so. Where repairs or maintenance have to be done, we will make reasonable efforts to minimise disruption to you.*

5.9 *We will take all reasonable steps, together with any other joint owners of the water supply installations, to comply with the Water Bye-Laws in force in your area. The Bye-Laws, among other things, specify that:*

- *all storage cisterns must be properly installed having regard to the need for prevention of waste and contamination and insulation against frost;*
- *the stopcocks and servicing valves must be placed so that they can be readily examined, maintained and operated with reasonable practicability;*
- *the water pipes, both inside and outside the house, must be effectively protected against freezing and damage from other causes.*

We will inspect the installations for the storage and supply of water we are responsible for at the beginning of the tenancy and at reasonable intervals thereafter so as to comply with the Water Bye-Laws.

5.10 *Nothing contained in this Agreement makes us responsible for repairing damage caused wilfully, negligently, or accidentally by you, anyone living with you or an invited visitor to your house. If we decide to carry out the work, you must pay us for the cost of the repair. This paragraph does not apply to damage caused by:*

- *fair wear and tear;*
- *vandals (provided that you have reported the damage to the police and us as soon as the damage is discovered).*

5.11 *We will carry out necessary repairs due to fire, flood or Act of God, within a*

reasonable time or offer equivalent permanent rehousing, if appropriate, as soon as such a house becomes available. Until that time, we will try to help you to get temporary accommodation if the house is uninhabitable.

5.12 We have the right to come into your house to inspect it and its fixtures and fittings or carry out repairs to it, or adjoining property, during reasonable times of the day. Where possible we will give you at least 3 days notice in writing. We have the right of access to your house in order to lay wires, cables and pipes for the purposes of telecommunications, water, gas and electricity, providing we give you reasonable notice in writing. We have the right of access to the common parts at any reasonable time. If you refuse us entry, we will have the right to make forcible entry provided we have given you every reasonable opportunity to let us in voluntarily. If we have to make forcible entry, in this situation, you are liable for the costs of any damage reasonably caused. In an emergency, we have the right to enter your house, forcibly if necessary, without notice.

5.13 If we know that any house or flat adjoining your house, which we own, is likely to remain unoccupied for longer than four weeks, we will take all reasonable steps to avoid damage or danger to you or your property arising from that house or flat being unoccupied. These steps may include, but are not limited to the following:

- to seeing that its doors and windows are properly secured;*
- to seeing that the water, gas and electricity supplies to the house or flat are turned off where possible.*

5.14 If we cause damage to the house or your property in connection with inspections, repairs or improvements or entry, we will reinstate the damage or compensate you for your losses. We have a right to require you to move temporarily to suitable alternative accommodation if this is necessary for the repairs to be done. If you are moved temporarily, we will reimburse you for any extra expenses you have as a result.

You will be charged rent during this period but no more than you normally pay.

5.15 Our duties to repair contained in this part of the Agreement continue until this Agreement comes to an end.

REPAIRS AND MAINTENANCE: YOUR RESPONSIBILITIES AND RIGHTS

5.16 You must report to us, as soon as reasonably possible, any damage to the house, the common parts or loss or damage to our property. You can arrange for someone else to do this on your behalf. In particular you shall take reasonable steps to ensure that we are notified immediately of emergencies including those involving the supply of water and to ensure that, where

necessary, access can be gained by our representatives. We operate an emergency telephone service outside office hours.

5.17 You are responsible for taking reasonable care of the house. This responsibility includes:-

1) Carrying out minor repairs to

- plugs or chains on sanitary ware*
- internal door handles*
- doorbells*
- fireplaces and floor tiles*
- pulleys and ropes*
- divisional fencing*
- driveways (except where it forms pedestrian access to the house)*

2) Replacement of minor items such as

- electric plugs, fuses, lightbulbs*
- smoke detector batteries*
- lost or broken keys (including any costs incurred through forcing entry)*

3) Damage or repairs required as a result of negligence e.g.

- damage to internal glass*
- damage to sinks or sanitary ware*

4) Carrying out internal decoration

5) Floor coverings and other floor finishes such as laminate or wooden floors where these have been provided by you. This includes lifting, if necessary to allow other repair works to be carried out.

For safety reasons you must not paint fires, fire surrounds, storage heaters or panel heaters. Nor is it permitted to fit ceiling fans in rooms with a gas fire and/or back boiler.

It also includes keeping the house in a reasonable state of cleanliness.

Other than to the items detailed above, you are not responsible for carrying out repairs which are due to fair wear and tear.

5.18 *If we have delayed or failed to carry out certain types of repair, there are statutory regulations which give tenants the right to have certain repairs carried out. You may also be entitled to compensation. We will write to you separately about these regulations.*

5.19 *We will maintain appropriate building insurance but you are responsible for insuring your personal possessions against loss or damage caused by fire, flood, theft, accident, etc and we strongly recommend this course of action.*

ALTERATIONS AND IMPROVEMENTS

5.20 *If you want to:*

- *alter, improve or enlarge the house, fittings or fixtures;*
- *add new fixtures or fittings (for example kitchen or bathroom installations, central heating or other fixed heaters, double glazing, or any kind of external aerial or satellite dish);*
- *put up a garage, shed, fencing or other structure;*
- *decorate the outside of the house;*

you must first get our written permission. We will not refuse permission unreasonably.

We may grant permission with conditions including conditions regarding the standard of the work and a requirement to obtain other necessary approvals such as building warrant or planning permission. Such works will not be taken into account in determining rent levels.

If you make a request to us for permission to carry out alterations or improvements, etc. to the house, we will reply to your written request within one month of receipt of the written application. In that reply we will tell you if we agree to the proposed alterations, etc. and if so, whether we attach any conditions. If we do not reply within one month, we are taken to have agreed to your request. If we refuse this kind of permission, we will let you know in writing our reasons for refusal within one month of receipt of your written application. If you are unhappy about our refusal you have the right to make application to the sheriff. You can appeal against a refusal or the conditions we have attached.

5.21 *If you have made alterations or improvements with our permission, you may be entitled to compensation at the end of your tenancy under regulations governing such arrangements. We also have the power, even if you do not qualify under these Regulations, to make a discretionary payment.*

5.22 If you carry out any alterations or improvements without our permission we are entitled to restore the house to its previous condition during, or at the end of, your tenancy. If we do so, we are entitled to charge you for this work.

6 ENDING THE TENANCY

The Tenancy Agreement can be ended in any one of the following ways.

6.1 By Notice

You, together with any joint tenant, give us at least twenty-eight days written notice. You must tell us at the same time if you are married or if you live in the house with another person as husband and wife. If you do, their agreement may also be required.

OR

6.2 By Written Agreement

By written agreement between you, any joint tenant, and us. You must tell us at the same time if you are married or if you live in the house with another person as husband and wife. If you do, their agreement may also be required.

OR

6.3 By Court Order

The sheriff grants an order for eviction following a request by us. You have a right to defend any legal action taken by us against you. People who live with you also have a right to be represented. We may ask for such an order under Section 14 of the Housing (Scotland) Act 2001 on any of the grounds contained within Schedule 2 of the Act. Before we do so, we will first send you a written warning. We will also send that written warning to anyone else living with you who is your spouse, co-habitee, sub-tenant, lodger, assignee, joint tenant or member of your family aged 16 or over; if we know about them. The following is a summary of the grounds contained within that Act and does not change the legal position contained in that Act.

- *you owe us rent or you have broken some other condition of this Agreement.*
- *someone residing in your house, or anyone visiting it, has been convicted of using the house or allowing it to be used for illegal or immoral purposes or a criminal offence, punishable by imprisonment, which was committed in the house or the locality.*
- *the condition of the house or common parts, or furniture we have supplied, has deteriorated because of the fault of you or somebody in your household.*
- *you, and your spouse or co-habitee, have been absent from the house for more than six months without good reason or you have stopped living in it as your principal home.*

- *we gave you this tenancy as a result of false information given by you in your application for the house.*
- *someone residing in your house, or anyone visiting it, has been anti-social to anyone else in the vicinity, or has pursued a course of conduct amounting to harassment of such a person, and it is not reasonable for us to transfer you to another house.*

In all the above cases, the sheriff must also be satisfied that it is reasonable to make an order for eviction.

- *someone residing in your house has been guilty of harassment, nuisance or annoyance in or in the neighbourhood of the house, or has continued to caused alarm or distress to someone in the locality and it is appropriate, in our opinion, to transfer you to another house.*
- *the numbers of people in the house amount to the criminal offence of overcrowding.*
- *we intend to demolish or carry out substantial work to your house (or the building in which it is located) within a reasonable time and that work cannot be done if you are still living there.*
- *the house has been designed or adapted for people with special needs and no one in your household has such special needs but we require the house for someone who has.*
- *the house is part of a larger group of houses which have been designed or adapted or located near facilities for people with special needs and no-one in your household has those needs but we require the house for someone who has.*
- *we have leased your house from somebody else and that lease has ended, or will end, in six months.*
- *the landlord is an islands council, the house is held for education purposes, it is occupied by someone who used to be employed by the council for education purposes and now it is needed for someone else for those purposes.*

In the seven cases above, the sheriff must grant an order for eviction if we also offer you a suitable alternative house as defined by Schedule 2 (Part 2) of the Housing (Scotland) Act 2001.

- *we want to transfer the house to your husband or wife (or ex-husband or ex-wife) or co-habitee, where one of you no longer wishes to live with the other. In this case, we will offer you a suitable alternative house as defined by Schedule 2 (Part 2) of the Housing (Scotland) Act 2001. The sheriff must also be satisfied that it is reasonable to grant the order.*

OR

6.4 By Abandonment by you.

We have reasonable grounds for believing that you have abandoned the house. In this case, we may forcibly enter the house to make it safe and secure. We will also give you at least 4 weeks' notice that we believe that you have abandoned the house. If, at the end of that period, we have reasonable grounds for believing that you have abandoned the house, we may repossess it by service of another notice. You have a right to make application to the sheriff against repossession within six months. We will secure the safe custody of any property found in the house, as long as we consider its value to be greater than the cost of storing it plus any rent or other arrears you owe us in relation to your tenancy. We will deliver any such property to you as long as you have paid us for the costs of storing it, and made arrangements for and paid for the delivery of it to you. We have the right to make such a charge, and to dispose of any such property if you have not made arrangements for and paid for its delivery within a given period.

OR

6.5 By Death

By your death, if the tenancy does not pass to someone else (see Part 7 below).

OR

6.6 By Sale to You

If you buy your house from us, your tenancy will terminate on the date of transfer of ownership. Until that point, this Agreement remains in force.

OR

6.7 By conversion to a Short Scottish Secure Tenancy

If an anti-social behaviour order has been made against you, or anyone living with you, we may serve a notice on you converting your tenancy to a Short Scottish Secure Tenancy.

Your tenancy under this agreement ends on service of that notice. You have a right to make application to the sheriff if we do this.

6.8 Abandonment by a joint tenant

If we have reasonable grounds for believing that a joint tenant has abandoned the house, we will give that tenant 4 weeks' notice. If we have reasonable grounds for believing, at the end of the four week period, that the joint tenant has abandoned the house, we may serve another notice. This second notice

will terminate that joint tenant's interest in the tenancy in not less than 8 weeks. That second notice will not, however, terminate the tenancy which will continue.

6.9 Termination by joint tenant alone

A joint tenant may, at any time, end his or her interest in the tenancy of the house by giving 4 weeks' written notice to us and to the other joint tenant. That notice will not, however, terminate the tenancy which will continue.

6.10 Before moving out of your house, you must do the following:

- *leave the house in a clean and tidy condition;*
- *remove all your belongings;*
- *make sure any lodgers or sub-tenants leave with you;*
- *allow us access to your house before you move out, at reasonable times, to inspect the condition of the property identifying repairs required and to show new tenants round;*
- *hand in all keys (at least 2 sets) to the housing office;*
- *remove any fixtures and fittings you have installed without our written permission and put right any damage caused. This does not affect your obligations under paragraph 5.21 above;*
- *check with us to make sure that you have paid all payments due to us;*
- *apply for any compensation you may be entitled to under clause 5.22 above;*
- *leave the house in good decorative order;*
- *do the repairs you are obliged to do;*
- *give us a forwarding address unless there is good reason for not doing so.*

7 AFTER THE TENANT'S DEATH

7.1 *If you die, the tenancy may be inherited by one of the following people in the following way.*

7.2 Level One

- *your husband or wife or co-habitee if the house was their only or principal home on your death; OR*
- *a joint tenant, if the house was his or her only or principal home on your death.*

In the case of a co-habitee, he or she must also have occupied the house as his/her only or principal home for at least 6 months immediately before your death. If more than one person qualifies for the tenancy under Level One, they must decide among themselves who should get the tenancy. If they cannot agree, we will decide.

7.3 Level Two

If no-one qualifies at Level One, or a qualified person does not want the tenancy, it may be inherited by a member of your family as long as:

- *he or she is aged at least 16 at the date of death;*
- *the house was his or her only or principal home at the date of death.*

If more than one person qualifies for the tenancy under Level Two, they must decide among themselves who should get the tenancy. If they cannot agree, we will decide.

7.4 Level Three

If no-one qualifies at Level One or Level Two, or a qualified person does not want the tenancy, it will be inherited by a carer as long as:

- *he or she is aged at least 16 at the date of death;*
- *the house was his or her only or principal home at the date of death;*
- *he or she gave up another only or principal home before the death of the tenant;*
- *he or she is providing, or has provided, care for the tenant or a member of the tenant's family.*

If more than one person qualifies for the tenancy under Level Three, they must decide among themselves who should get the tenancy.

If they cannot agree, we will decide.

- 7.5 *If someone qualifies for the tenancy but does not want it, they should tell us in writing within four weeks of the death and leave the house within three months. Rent will be charged only for the actual period of occupation.*
- 7.6 *The tenancy can only be inherited twice under the provisions noted above. If the tenancy has already been inherited twice, the third death will normally end the tenancy. This will not happen if there is a surviving joint tenant whose Scottish Secure Tenancy will continue. However, if there is still a person in the house who would otherwise qualify to inherit the tenancy under the above paragraphs, the tenancy will continue for up to 6 months after the last death. The tenancy will not be a Scottish Secure Tenancy for that period.*
- 7.7 *For a first succession, where the house has been designed or substantially adapted for a person with special needs, if it is someone from level two or three who qualifies for the tenancy, we have the right to terminate the tenancy and offer that person suitable alternative accommodation unless they have special needs requiring accommodation of the kind provided by the house.*
- 7.8 *For a subsequent succession where the house has been designed or substantially adapted for a person with special needs, then regardless of the level of the person who qualifies for the tenancy, we have the right to terminate the tenancy and offer that person suitable alternative accommodation unless they have special needs requiring accommodation of the kind provided by the house.*
- 7.9 *The provisions noted above are a summary of the law which is contained within Section 22 of the Housing (Scotland) Act 2001. This summary does not alter that law.*

8 INFORMATION AND CONSULTATION

8.1 *You are entitled, under the Data Protection Act 1998 to inspect personal information held on you in the housing files. We will provide photocopies of this information on request. We may make a charge of up to £10 for this. We will provide you with a copy of any such information we hold within forty days of your request in writing. You may have other rights under that Act in relation to your personal data, which we will honour.
